Three bids were received for this contract, two out of town and one in town. One bid was for $1700.00, one for $1200.00 and Mr. Clark's for $1575.00. The contractor who bid $1200.00 was considered unreliable; the bid of $1700.00 was too high, and the contract was awarded to Mr. Clark. It did not seem possible to keep within the appropriation and still do all that appeared to be advisable. In as much as we brought over a large cash balance from last year, it will not be necessary to ask for an additional appropriation at the next annual School Meeting to pay the over-run on this contract.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS OF ANTRIM

To the School Board of the Antrim School District, I respectfully submit this report for the school year 1930-1931, as my thirteenth annual report:

We had a teaching force of twelve members, concerning whom the following table gives certain facts:

Grade	Name	Salary	Dist.	Total Teaching Experience	Education	State Approval
5-6	Charlotte E. Balch	$950	26	37	Lowell Training	C
East	Ruth Bassett	900	0	3	Keene Normal	C
7-8	Jessie Black	1,000	7	9	Keene Normal	C
High	Thos. C. Chaffee	2,100	5	27	Brown Univ.	C
No. Br.	Helen Crosby	900	0	0	Keene Normal	L
3-4	Alice Cuddihy	950	24	26	Keene Normal	C
Music	Elizabeth Felker	300	0	4	N. E. Conservatory	L
1-2	Gertrude Hersey	950	1	2	Keene Normal	C
High	Margaret Maxfield	1,150	0	0	Keene Normal	L
Drawing	Edith Messer	220	9	37	Lowell Training	L
Center	Gladys Phillips	950	0	5	Keene Normal	C
High	A. Louise Carlson	1,200	0	0	Radcliffe	L

It should be remembered that the salaries of the drawing and music supervisors is for part time work. The fourth column shows that we have six new teachers, three of whom had no previous teaching experience.

The cost of public education per $1000 of equalized valuation for the state as given by the State Dept. of Education varies from $3.04 in one district to $23.48 in another. It is $10.32 in Antrim, almost exactly half way between the two districts mentioned. Sixty-four cents of this came from state aid, so that the cost to the district

was $9.68 per $1,000. The elementary school costs vary from $2.35 to $18.88, ours being $6.14 per $1,000. The high school cost in the state varied from 11 cents to $8.75; ours was $3.47 per $1,000 valuation.

The secondary school report from the state department gives some interesting data. In the following table are certain figures for the state and for Antrim:

	Antrim	State
Percent of enrollment who are boys	48	48
Percent left school during the year	6	10
Percent failed in only one study	0	7
Percent failed in more than one study	2	6
Percent attendance	94.3	96.4
Tardinesses per pupil	1.3	.9
Percent of those who entered high and were graduated	82	63.5
Number of half days of school	358	357

This is a very good record, as we fall below the state average in only two particulars. Our failures are exceptionally few, two percent compared with 12.8% for the state average. 82% of those who entered high remained to be graduated compared with 63.5% for the state.

Our poor record is our attendance record. I suggest that our teachers make a special effort to improve this record and that the parents co-operate heartily. It can be done.

One test, there are others of course, of the efficiency of a high school is the standing of its graduates in post secondary institutions. In this respect we stand well and have been improving. There are 33 schools in the state classed with our school as to size, and the relative position of our graduates among the graduates of these 33 schools, as far as work done in college and in Normal School is concerned, is as follows:

We stood in	1926-7	1927-8	1928-9	1929-30	1930-1
	12th	9th	3rd	5th	4th

We made a good record at Normal School on the Annual Scholarship Day, getting second place in the physics test.

The grade distribution of the pupils and the number of tuition pupils follows:

Grade	Boys	Girls	Total	Tuition Pupils
1	18	9	27	1
2	6	12	18	2
3	14	13	27	0
4	16	11	27	0
5	8	13	21	0
6	7	7	14	0
7	7	8	15	0
8	13	7	20	0
9	10	8	18	0
10	4	8	12	0
11	5	4	9	0
12	4	5	9	1
Totals	112	115	227	4

There were 21 visits by members of the school board to the schools and 183 visits by parents and friends; a large number of these being visits to special exercises. A knowledge of what is being taught and how it is taught can best be obtained by visiting the regular class exercises. The superintendent made 271 visits of supervision and inspection.

The D.A.R. History First Prize went to Alan Swett and the Second Prize to Elizabeth Felker. The S. A. R. Good Citizenship Medal went to Edward Moul.

The Honor Roll of pupils who have been neither absent nor tardy for the whole year, as taken from the teachers' registers, is given below:

Respectfully submitted,

A. A. HOLDEN,

Supt. of Schools.
